

December 2019

Dear valued Service Provider

NEDGROUP MEDICAL AID SCHEME (NMAS) – UPDATE 2020

As a Scriptpharm contracted Designated Service Provider to NMAS, please note the below with relevance to the forthcoming year, effective 1 January 2020. The scheme's DSP network, **Nedgroup Network Pharmacy** and the negotiated professional fees as applied in 2019, remain in place going into 2020. Network arrangements – reminder of what is applicable - see below. Please note the Hospital Plan name will change to the Hospital Network Plan in 2020.

	NEDGROUP OPTION	DSP	CHRONIC
1.	Platinum, Comprehensive, Traditional, Savings	Nedgroup Network Pharmacy	PMB medication obtained from a non-network pharmacy will result in a 25% co-payment. In the case of non-PMB chronic medication obtained from a non-network pharmacy, the member will be liable for the full cost.
2.	Hospital NETWORK Plan (previously called Hospital plan)	Pharmacy Direct continues to be the DSP for this option for 2020.	If members obtain PMB medication from any other provider, there will be a 25% co-payment. If medication for depression is obtained from a non-network pharmacy, the member is liable for the full cost.

Thank you for your loyal support during 2019. We wish you a wonderful festive season and look forward to a mutually beneficial relationship going into 2020.

Yours in pharmacy,
